Very important information

Confirm details: Please check all your departure dates and times carefully.

ID, driving licence or passport: Make sure you have the correct identification documents for all local or international bookings of flights, accommodation and car hire. Your passport must be valid for 6 months and have blank pages.

Visa: Make sure you have all the visas you need for all the destinations on your trip, including layover and final stop destinations.

Health and inoculations: Check the vaccines and medicines list of all the countries you're visiting.

Airport check-in times: Confirm the airport check-in times and make sure you arrive early – usually 1 hour for local flights and 3 hours for international flights.

Online check-in: Save time by checking in online and print your boarding pass from home. Online check-in usually opens 24 hours before the travel date and closes two hours before you depart.

Travel Restrictions: Please ensure that you check the airlines for relevant information regarding any restrictions when travelling internationally.
